MEMORANDUM

DATE: NOVEMBER 1, 2005

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: JAMES K. HARTMANN, CITY MANAGER *J*SUBJECT: LISTINGS OF DELINQUENT TAXES: AUTHORIZATION TO
ADVERTISE THE LISTINGS AND WRITE-OFF BALANCES LESS
THAN TWENTY DOLLARS

ISSUE: Listings of Delinquent Taxes: Authorization to advertise the listings and write-off balances less than twenty dollars. The Code of Virginia requires the Director of Finance to present City Council with listings of delinquent local property taxes.

RECOMMENDATION: That City Council:

- (1) Receive the listings of delinquent local property taxes;
- (2) Authorize that parts of the delinquent real estate tax listing deemed advisable by the Director of Finance and having a balance due of \$1,000 or more be published in a newspaper having general circulation in the City. Also, that parts of the real estate tax and personal property tax listings deemed advisable by the Director of Finance be listed on the City of Alexandria website; and
- (3) Authorize the Director of Finance to write off the uncollected tax balances amounting to less than twenty dollars each for which the Director of Finance has determined that the cost of collecting such balances would exceed the recoverable amount, provided that the Director of Finance will not include any balance which he has reason to believe the taxpayer has purposely paid less than the amount due and owed.

DISCUSSION: The following report is organized in the same manner as in prior years. In summary, while these delinquent tax amounts are large, they are typical not only for the City but for similar jurisdictions in Virginia, given the nature of the taxes. It should be noted that during fiscal year (FY) 2005, the Department of Finance tax collection efforts resulted in \$3.6 million in prior year delinquent property tax collections, penalties and interest.

The Code of Virginia §58.1-3924 requires the Director of Finance to provide the following listings of delinquent taxes to City Council as of June 30:

1. A list of delinquent real estate taxes,
2. A list of delinquent personal property taxes,
3. A list of delinquent property taxes amounting to less than twenty dollars for which no bills were sent, and
4. A list of the uncollected balances of previously billed property taxes for which the Director of Finance has determined the cost of collecting such balances would exceed the recoverable amount, provided that the Director of Finance will not include any balance which he has reason to believe the taxpayer has purposely paid less than the amount due and owed.

To meet this requirement, the Finance Department has compiled lists of delinquent City taxes as described below. These seven lists are available for public inspection during normal business hours in the Director of Finance's Office, City Hall, Suite 1600. This memorandum includes only the delinquent real estate tax listings. Other listings are not attached due to their voluminous length or low dollar totals.

- List 1 *Listings of Delinquent Real Estate Taxes for 2000 through 2004 as of June 30, 2005.* These are lists of real property owners, parcel addresses and outstanding delinquent tax amounts owed by tax year as of June 30, 2005. The total of the lists, which is included as Attachment I, is \$1,496,886 for the last five years. Last year's list totaled \$1,462,848.
- List 2 *Listing of Delinquent Individual Personal Property Taxes for 2000 through 2004 as of June 30, 2005.* This is a list of individuals that owe personal property taxes on their vehicles as of June 30, 2005, sorted by owner's name, address, account number, tax year and outstanding delinquent tax amounts in excess of \$20. The list is 521 pages long and contains 8,960 taxpayers that owe a total of \$2,185,922 for the past five years in back taxes, penalty, interest and fees. Last year's list for the comparable period was 626 pages long, contained 10,711 taxpayers and totaled \$3,150,624.
- List 3 *Listing of Delinquent Personal Property Taxes on Business Vehicles for 2000 through 2004 as of June 30, 2005.* This is a list of businesses that owe personal property taxes on their vehicles as of June 30, 2005, sorted by business owner's name, address, account number, tax year and outstanding delinquent tax amounts in excess of twenty dollars. The list contains the names of 246 taxpayers who owe a total of \$394,736 for the past five years in back taxes, penalty, interest and fees. Last year's list for the comparable period consisted of 303 delinquent taxpayers and totaled \$384,025.

- List 4 *Listing of Delinquent Business Personal Property Taxes for 2000 through 2004 as of June 30, 2005.* This is a list of businesses that owe personal property taxes on business property other than vehicles as of June 30, 2004, sorted by owner's name, address, outstanding delinquent tax amounts and number of years delinquent. The list contains the names of 991 taxpayers who owe a total of \$5,986,997 for the last five years. Last year's list for the comparable period consisted of 1,432 delinquent taxpayers that owed a total of \$6,267,522.
- List 5 *Listing of Uncollected Individual Personal Property Taxes for 2000 through 2004 Amounting to Twenty Dollars or Less as of June 30, 2005.* This is a list of individuals that owe personal property taxes that amount to less than \$20. The list is sorted by the delinquent personal property owner's names, addresses and outstanding delinquent tax amounts owed as of June 30, 2005. The list contains 867 taxpayer names and totals \$10,573. Bills were not sent to the taxpayers on the list.
- List 6 *Listing of Uncollected Business Personal Property Amounting to Twenty Dollars or Less Each as of June 30, 2005.* This is a list of business names, account numbers and outstanding tax amounts as of June 30, 2005. The list totals \$351.

Summary of Real Estate Tax Collection Statistics: As of October 21, 2005, the Finance Department has collected \$907.5 million, or 99.90 percent of the real estate taxes levied for tax years 2000 through 2004. The total outstanding real estate tax delinquency as of October 21, 2005, amounted to \$0.9 million. From July 1, 2005 to October 21, 2005, an additional \$0.6 million has been collected, reducing the City's real estate tax delinquency from \$1.5 million total as of June 30, 2005 (Attachments I and II). The \$0.9 million amount is lower than the \$1.2 million amount outstanding at the end of September 2003.

The "Top Twenty" delinquent real estate taxpayers comprise 43 percent of the total delinquency as of October 21, 2005 (Attachment III). The Finance Department is continuing to take action against the largest delinquent taxpayers. We have placed rent liens, bank liens, and Circuit Court liens against several property owners. This past year, the Finance Department and the City Attorney's Office initiated formal judicial sale procedures against five long delinquent taxpayers. Under the judicial sale process, the City can sell the property of delinquent land owners and recover the outstanding taxes from the sale proceeds. The judicial sales process was highly successful because all the taxpayers paid the taxes before court action commenced. Due to the Finance Department's collection efforts, eleven property owners appearing on last year's "Top Twenty" list have sufficiently satisfied their tax obligations to avoid inclusion in this year's "Top Twenty" listing.

To preserve the City's interest in the collection of delinquent real estate taxes, Virginia Code §58.1-3930 provides that a lien is automatically placed (by operation of law) on property with outstanding real estate taxes. This tax lien is a claim by the City for payment of the tax debt and

begins on the day following the tax payment due date. The lien is recorded against delinquent properties on the City's computerized Real Estate Land Records System and remains in effect until the outstanding taxes, penalties and interest have been paid in full. An automatic lien ensures that the City will collect any delinquent real estate taxes when the owner sells the property or applies for a mortgage.

Summary of Vehicle Personal Property Tax Collection Statistics: Because the City's population is very transient, collecting personal property taxes on vehicles is far more challenging than collecting real estate taxes. In July 2005, the City issued 99,313 personal property tax bills for vehicles. Of the vehicles billed, 33,673 or 30.8 percent were brought into the City after July 2004. Many taxpayers leave the City without notifying the Finance Department of their change of address. As a result, they are billed for the full year. A tax bill is reduced (prorated) if and when the Finance Department is informed that a vehicle has been removed from the City. As a result of proration, a significant portion of the delinquent personal property tax on vehicles is relieved or adjusted. As of October 21, 2005, the Finance Department has collected, adjusted or relieved \$81.8 million, or 98.2 percent, of the personal property tax levied on vehicles between 2000 and 2004.

The total outstanding personal property tax, penalty and interest on all vehicles as of June 30, 2005, was \$2.0 million in taxes due and \$0.6 million in penalty, interest and fees for a total of \$2.6 million (total from lists 2, 3, 5 and 6). This compares to \$3.5 million as of June 2004. From July 1 to October 21, 2005, an additional \$0.5 million of tax, penalty and interest has been collected or relieved, further reducing the City's personal property tax delinquency on vehicles to \$2.1 million. It should be noted that due to vehicle owner transiency, much of this \$2.1 million is most likely uncollectible. However, over the next two months with the City's one-time vehicle personal property Tax Amnesty program, some of these funds should be collected.

Summary of Business Personal Property Tax Collection Statistics: While the vast majority of City businesses file and fulfill business personal property tax obligations, some businesses do not. When a business fails to file a business personal property tax return, the City levies a business personal property tax on the tangible property owned or leased in the City. For example, if a business is licensed in the City, has gross receipts of \$500,000 or less and fails to file a business personal property tax return, that business is automatically billed on the basis of an assumed \$75,000 in business personal property. Staff assesses \$100,000 in business personal property for businesses with gross receipts between \$500,000 and \$1 million, and \$150,000 in business personal property for businesses with over \$1 million in gross receipts. If a business filed a personal property tax return last year and fails to file a return this year, the business is automatically billed 115 percent of last year's tax levy. These bills are also called "Statutory Assessments" because the Code of Virginia provides local jurisdictions the authority to issue estimated bills. Because the validity of these billings cannot be known at the time personal property taxes are levied, they are included in the total levy and thus artificially increase the amount of outstanding taxes and reduces the City's collection rate.

In FY 2005, staff levied approximately \$7.9 million in estimated business personal property taxes to businesses that failed to file a return. Of these estimated bills, approximately 13.1 percent, or \$1.0 million, were paid. This represents an annual revenue source that the City would not have received if it did not issue estimated bills.

The Finance Department has collected, adjusted, or relieved \$83.0 million, or 94.6 percent, of the business personal property tax levied between 2000 and 2004. The total outstanding business personal property tax, penalty and interest as of October 21, 2005, for the tax years 2000 through 2004 was \$3.1 million. This compares to \$2.8 million in October 2004. From July 1, 2005, to October 21, 2005, an additional \$2.9 million has been collected or relieved, reducing the City's business personal property tax, penalty and interest delinquency from \$6.0 million to \$3.1 million. Most of the remaining \$3.1 million in outstanding business personal property taxes consists of estimated Statutory Assessment bills that are not based on a business tax filing. It should be noted that due to the statutory nature of assessments and changes in business status and location, this balance is most likely uncollectible because the businesses are no longer operating or owe far less than the statutory assessment.

Delinquent Tax Collection Procedures: In the past few years, the Finance Department has aggressively pursued all delinquent taxes by taking the following actions:

1. Real estate tax bills for the current year are mailed semiannually in May and October. Personal property tax bills are mailed annually in August. All unpaid prior year taxes, late filing penalties, late payment penalties and interest are included on the tax bills.
2. Outstanding balance due letters are generated and mailed to property owners who fail to pay or make partial tax payments.
3. Outstanding balance due letters are mass mailed annually to all property owners with delinquent taxes.
4. Computer tapes of the City's Real Estate Accounts Receivable file are provided to tax service companies. These companies "encourage" or are authorized by their participating mortgage lenders to pay the outstanding balances on any properties to which they maintain a mortgage.
5. "Friendly" reminder letters are mailed annually to delinquent taxpayers requesting payment in the event that they overlooked the delinquent taxes.
6. A warning letter is mailed to property owners with delinquent taxes explaining that their names will be published in a local newspaper and/or on the Internet, unless their delinquent taxes are paid.

7. If the taxpayer takes no action as a result of the preceding steps, staff and/or collection agencies then attach third party assets, request the Department of Motor Vehicles to withhold the vehicle's registration until the taxes are paid and/or sends the account to the Virginia Set-Off Debt Collection Program where the delinquent taxes are withheld from the individual's State tax refunds. Staff also attaches delinquent taxpayer bank accounts, certificates of deposit and rental income.
8. Beginning in FY 2005, staff began levying wage liens against delinquent taxpayers upon locating an employer. Staff utilized the records from the Virginia Employment Commission to identify the taxpayer's place of employment.
9. As a result of an ordinance passed in June, staff has started seizing license plates and immobilizing and/or towing vehicles for which the owners have failed to pay their personal property taxes.
10. The Police Department issues parking citations to vehicles that fail to display a City decal. This citation cannot be paid until the vehicle is registered for taxation and a City decal is purchased. Vehicles with three outstanding parking citations, including citations for failure to display a City decal, are also subject to booting and towing.
11. This year staff initiated the judicial sale process against five people for failure to pay their real estate taxes for over three years. Fortunately, these taxpayers paid all their real estate taxes before the City sold their property. Staff will continue to use the judicial sales process as a collection tool of last resort.
12. In order to maximize the State car tax reimbursement in FY 2005 and in future fiscal years a one-time vehicle personal property Tax Amnesty program has been put in place from November 1, 2005, to December 31, 2005.

Publishing List of Delinquent Taxpayers: The threat of publishing a delinquent taxpayer's name is one of the Finance Department's most effective collection tools. The Finance Department is requesting that City Council authorize the publication of the delinquent listings in which taxpayers have a balance due of \$1,000 or greater, in a newspaper having general circulation in the City and that portions of the real estate tax and personal property tax listings deemed advisable by the Director of Finance be listed on the City of Alexandria website. The placement of the listings on the City's website has also improved the Finance Department's collection efforts. The listing will be checked prior to publication and adjusted for tax payments made between June 30, 2005, and the publication date. If the taxes are paid in full by the time of publication, the property owner's name or the name of the business will not be published in the newspaper or listed on the City's website. Names of individuals or businesses that have received tax adjustments, declared bankruptcy, filed tax exemption appeals, appealed the tax assessment or entered into formal payment arrangements with the City will not be published or listed. Names of businesses that received a statutory billing or ceased operations in the City will also not be published or listed. Within the framework described above, staff intends to publish the names of

delinquent real estate taxpayers in the newspaper and list the names of both delinquent real estate and delinquent personal property taxpayers on the City's website.

FISCAL IMPACT: Delinquent tax collection efforts in FY 2005 resulted in \$3.6 million in the collection of prior year delinquent property taxes, penalties and interest. In addition, significant current year delinquent taxes were collected. Based on prior collection history, staff expects to collect similar amounts during FY 2006.

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: JAMES K. HARTMANN, CITY MANAGER *J*

SUBJECT: LISTING OF DELINQUENT REAL ESTATE TAXES AS OF
NOVEMBER 4, 2005

In response to a request from the Mayor, attached is an updated listing of delinquent real estate taxpayers. In accordance with State law, Docket Item # 10 dated October 9, 2005, contained a listing of the delinquent real estate taxpayers as of June 30, 2005, which is the City's fiscal year end. However, between June 30 and November 4, 2005, the City has collected \$0.6 million in delinquent real estate taxes or approximately 42 percent of the outstanding balance. The attached listing contains the names and addresses of the delinquent taxpayers who still had an outstanding balance on November 4, 2005. As stated in the docket item, this listing totaling \$0.9 million is lower than the delinquent real estate tax listing that totaled \$1.2 million and was produced at approximately the same time last year.

In future years when the real estate tax delinquent list is presented to Council, it will include both the State law requirement June 30 list, as well as an updated list produced just prior to the item being docketed for Council action.

Attachment: Listing of Delinquent 2000 through 2004 Real Estate Taxes as of November 4, 2005

STAFF: Mark Jinks, Assistant City Manager
